

AI Prompt to Find Networking Opportunities Near YOU!

Copy and paste the prompt below into your favorite AI tool to find networking opportunities.

"I want you to act as a local events finder. Please find upcoming networking events for entrepreneurs near my location.

 My location (city, state, or ZIP code): _____

 Targeted search focus (optional – e.g., tech startups, real estate investors, women entrepreneurs, marketing, AI, faith-based business, small business owners): _____

 Prioritize events that are active, well-attended, or highly recommended (yes/no): _____

I'm interested in free or low-cost events, including meetups, workshops, mixers, and industry gatherings.

Please provide:

A list of upcoming events (with dates, times, and direct links to the event page).

Organizations or groups that regularly host free networking events for entrepreneurs (with links to their website or event calendar).

Relevant Meetup groups, Eventbrite listings, Chamber of Commerce events, coworking space networking schedules, SBA/SCORE events, and similar opportunities.

Format the results clearly with headings and clickable links.
